Description

This one-day-Summer Course will offer (1) a reflection on the convergence, transformation, and impact on society of the audiovisual media (radio, TV, and the Internet) in Europe with the perspective of the year 2030; (2) a discussion of current and future challenges and strategies that European minority language radio and television are confronting and carrying out to fulfill their public service responsibilities; and (3) acknowledgment of the past, present and future relevance of the Basque Radio and Television EITB as a public service, complemented with an act of recognition for the 40th anniversary in 2022, extended to Welsh language television S4C (Sianel Pedwar Cymru).

This course, addressed to media professionals and students, has a two-fold profile: Professional, with European experts and minority language radio and television executives; and scholar, with the contribution of communication and journalism professors from the universities of the Basque Autonomous Community and Navarre.

Objectives

To reflection on the convergence, transformation, and impact on society of the audiovisual media (radio, TV, and the Internet) in Europe with the perspective of the year 2030.

A discussion of current and future challenges and strategies that European minority language radio and television are confronting and carrying out to fulfill their public service responsibilities.

Acknowledgment of the relevance of the Basque Radio and Television EITB and Welsh language television S4C (Sianel Pedwar Cymru) in their 40th anniversary in 2022.

Iñaki Zabaleta Urkiola

UPV-EHU

Iñaki Zabaleta is a professor of journalism at the University of the Basque Country UPV-EHU, director of the research project "European Minority Language Media and Journalism" (since 2001), and general secretary of the Society of Basque Studies-Eusko Ikaskuntza. After conducting his doctoral dissertation and taking doctoral courses at the Graduate Center of the City University of New York (CUNY), he obtained a Ph.D. in journalism at the UPV-EHU and a Master's of Science in television at Brooklyn College in New York (1985). He was a visiting professor at the University of Iowa (USA) in 1992. He has published numerous scholarly articles in prestigious international journals and books and papers on communication. As a professional journalist, he directed a series of television documentaries (1992), made feature stories for the CNN (1990), and was the director of the university magazine Munduan Paz y Desarrollo (1999-2007), within the Master's Degree in Cooperation and Development at the University of the Basque Country. ORCID: <https://orcid.org/0000-0002-3050-2736>

Teachers

Giuseppe Abbamonte

Giuseppe Abbamonte has been the Director for Media Policy at the European Commission since 2016. His directorate is in charge of the copyright law, broadcasting law, the MEDIA programme, which provides financial support to the European audiovisual industry, and the fight against online disinformation. Before, he was in charge of the Directorate responsible for the elaboration of the European data strategy. He also worked for some years in the Antitrust and Consumer Protection departments of the European Commission. Before joining the Commission, Abbamonte was an associate in an international law firm in Milan for four years (1989/1992), where he dealt mainly with commercial law and competition law. He is the author of several publications mainly in English law magazines and he teaches media law to master students at the Università commerciale Luigi Bocconi and give lectures and presentations on European law at several European universities.

Irati Agirreazkuenaga Onaindia

Universidad del País Vasco-Euskal Herriko Unibertsitatea

Irati Agirreazkuenaga Onaindia holds a degree in audiovisual communication (UPV/EHU, 2008), master's degree in social communication (UPV/EHU, 2010) and a PhD in journalism (UPV/EHU, 2013) with an international thesis analysing minority languages and public media. She has done postdoctoral stays at the London School of Economics and Political Science (2015) and the Centre for Cultural Policy Research at the University of Glasgow (2014). She has worked for the Basque Public Television (Euskal Telebista) as a reporter (2015, 2017) and she's currently lecturer in the Department of Journalism at the UPV/EHU. Her publications include the adaptation and use of Basque-laguage on radio (Media, Culture & Society), the politics and poetics of migrant narratives (European Journal of Cultural Studies), the communication strategies of radio stations created by migrant populations (Journal of Ethnic and Migration Studies; Handbook of Media and Migration) and participation in public media during the Scottish independence referendum (Social Sciences).

Andoni Aldekoa

He has been the director-general of the public Basque Broadcasting Corporation EITB (Euskal Irrati Telebista) since November 2020. Previously, he was an advisor to the Presidency of the Basque Government and director of Communication (2015-2017). He has also been president of the public companies PROMOBISA and Bilbao Next of the City Council of Bilbao for city promotion and development. He graduated in Radio and Television at the INDESCO Bilbao (1991-92). He got a Master's degree in Political and Electoral Communication at the Universidad Autónoma de Barcelona and a postgraduate degree in Economic Intelligence and Security at ICADE (2016). Likewise, he obtained the certificate in Management Standards under the rules of the EFQM, European Foundation for Quality of Management. He has taught Public Management at the George Washington University Graduate Program for Latin American programs. He has been a guest lecturer and speaker at university postgraduate and training courses on Public Management and Institutional Communication at INAP, FEMP, UNED, Universidad del País Vasco y Universidad de Deusto.

Tania Arriaga Azkarate

Tania Arriaga holds a double Ph.D. degree in Development Studies (Universidad del País Vasco, UPV/EHU) and Basque Studies (University of Nevada, Reno, USA), and a BA in Journalism from the Basque Country University (UPV/EHU). She is currently a lecturer in the Audiovisual Communication and Advertising Department at the Universidad del País Vasco and a member of the HEKA research group (European Minority Language Media and Journalism). Until 2010 she worked in radio and television. Her latest scholarly article is News Agenda in European Minority Language Online Media: Balanced Coverage, Limited World (Journalism Studies, 2022), with Iñaki Zabaleta and María Gorosarri.

Idoia Astigarraga Agirre

Idoia Astigarra worked between 1996 and 2007 in Euskal Telebista as a producer and director of different programs; among the best-known programs are Wazemank, Goenkale, and Hitzetik Hortzera. Previously, she obtained a degree in Visual Image and Sound (Ciencias de la Imagen Visual y Auditiva) at the Universidad Complutense (Madrid) and an M.A. in Video from Middlesex University (London). In 2007 she started her Ph.D. studies at Mondragon Unibertsitatea and achieved her Ph.D. degree in 2017. Currently, she is a lecturer and researcher in the Audiovisual Communication degree at Mondragon Unibertsitatea, and she is this program's coordinator. Her latest scholarly article is Youth interaction with television and online video content in the digital age, published by the Journal of Digital Media & Interaction (2018) together with I. Pavon and A. Zuberogoitia.

Ana Azurmendi Adarraga

Ana Azurmendi is a full professor of constitutional law, communication Law, and vice-dean of research at the School of Communication, Universidad de Navarra. Her research focuses on audiovisual communication policies and media for democracy. She has been a principal researcher in four research projects and an associate researcher in eight others. Funded by public institutions, part of them focused on audiovisual services, regulation, reform, and contribution to society. In addition, she has worked as a collaborating expert in the parliamentary commissions for the reform of audiovisual laws of the Parliament of Galicia (2010), the Senate of the Republic of Mexico (2014), and the Parliament of the Basque Country (2016). Among her publications can be mentioned the book *Media Law in Spain* (ed. Wolters Kluwer, 2018), and the articles *The right to be forgotten for children and teenagers* (*Journal of Communication & Society*, 2022) and *Encuesta y análisis sobre satisfacción, uso y consumo de televisiones públicas en España: La brecha generacional* (*Revista Latina de Comunicación Social*, 2019).
