Directed by

Belen Balerdi Ozaeta

Consejo Superior de Cooperativas de Euskadi, General Secretary

Long journey in the management of service companies. Highlight in terms of HR, the ability to unite the staff of two previous organizations in a single team. In the direct relation with the directions of different Administrations; Ministry, Basque Government and Provincial Councils, participating in the development of their regulations. In continuous training in all areas of the company: focused on not losing contact with the reality of the moment, both through different short-term courses and annual professional trips within the European environment. Today disseminating and promoting a business model where its principles and values are the basis for building a better world.
