Description

El cooperativismo vasco es un modelo de hacer empresa referente a nivel internacional. Comenzaremos realizando un paseo por la historia del cooperativismo vasco destacando los hitos más importantes además de conocer los sectores referencia además del ecosistema cooperativo de Euskadi.

Se trata de un modelo de empresa que está totalmente arraigada a nuestro territorio muchas veces desconocido por la juventud a pesar de tener unos valores con los que se identifican a la perfección.

Tendremos ocasión, al final de la jornada de conocer los retos a los que se enfrenta hoy día el cooperativismo vasco.

Objectives

Conocer al detalle el movimiento cooperativo vasco.

Conocer el modelo de empresa con valores y principios.

Conocer los diferentes sectores de cooperativas de Euskadi.

La empresa cooperativa otra manera de hacer empresa.

Long journey in the management of service companies. Highlight in terms of HR, the ability to unite the staff of two previous organizations in a single team. In the direct relation with the directions of different Administrations; Ministry, Basque Government and Provincial Councils, participating in the development of their regulations. In continuous training in all areas of the company: focused on not losing contact with the reality of the moment, both through different short-term courses and annual professional trips within the European environment. Today disseminating and promoting a business model where its principles and values are the basis for building a better world.
