UNIVERSIDADES E INVESTIGACIÓN

First day schedule - Urban scale - Wednesday, October 4th, 2023

09:00 Opening of the congress

09:30 María Ángeles Durán-Heras - CSIC
La difícil alternativa al sistema actual de cuidados: quién cuidará, a quién, dónde, a cambio de qué.

10:00 Pablo Martínez Díez - 300.000km/s
Diseñar futuros con ciudades

PRESENTATION

10:30 Estefanía Jaramillo Rojas - UPV/EHU
The crucial Role of Urban Fabric in Tourism

10:50 Joseba Gordo Soto - UPV/EHU
Urban Plant Species Behaviour in a Global Warming Context

11:10 Aimar Santos-García - UPV/EHU
Identification of in-between spaces by patterns of use. A case study in San Sebastian

----- 11:30 Coffee break -----

12:00 Ignacio de la Puerta Rueda - Dirección de Planificación Territorial y Agenda Urbana | GV
Conference

13:00 Marta Rofin Serrà - Bax & Company
Urbanismo y Salud

PRESENTATION

13:30 Jorge Rodríguez-Álvarez - UDC
Interactive Energy Mapping for Effective Plans and Policies A user-centered UBEM approach

13:50 María Paz Sangiao - BREEAM
Social Infrastructure to guarantee equity and resilience of cities: BREEAM Urbanismo the methodology to address it

----- 14:10 Lunch -----

15:30 Sonia Freire Trigo - University College London
Regeneración urbana según un modelo "Good Growth", el caso de Londres

PROJECT
PRESENTATION

16:00 Project presentation introduction

16:10 Grupo de Investigación CAVIAR - UPV/EHU
Hacia la ciudad saludable. Método para evaluar el riesgo para la salud asociado al ámbito urbano - RISAU

16:30 Paisaje Transversal
Santander Habitat Futuro

16:50 Grupo de Investigación ABIO & GIAU+S - UPM
Diseño urbano saludable para los barrios de Euskadi - Plan de acción de salud de Zaramaga

17:00 Project discussion

17:30 Conclusions and end of the day

----- 18:00 Session end -----

Second day schedule - Building scale - Thursday, October 5th, 2023

| | | |
|---|-------|----------------------|
| Presentation | 09:00 | |
| Guillermo Borrágán Pedraz - VITO-Energy Ville <i>Empowering Energy-Poor Households: Achieving Energy Efficiency through the Just Transition</i> | 09:30 | |
| Cristina Villanueva Díaz - UPV/EHU <i>Geometric and thermal characterization of urban-scale buildings based on open data</i> | 10:00 | PRESENTATION |
| Pablo Moreno Pestaña - UPV/EHU <i>Study of an underground cistern as a thermal storage with HVACR system via heat pump assisted by PV: The case of the IWER building in Pamplona</i> | 10:20 | |
| Leyre Payros-Machado - UPV/EHU <i>Indoor air quality analysis through fluid dynamic modelling</i> | 10:40 | |
| Robiel Manzueta - UNAV <i>Filtration of pollutants in domestic kitchen hoods</i> | 11:00 | POSTER SESSION |
| Carlos Franco Coenfuegos - Junta Extremadura <i>ReNatural NZEB: Recycled and Natural Materials and Products to develop nearly zero energy buildings with low carbon footprint</i> | 11:10 | |
| Zhiening He - UNAV <i>Comparison of indoor temperature control of thermoelectric window frames: On-Off control and PID control</i> | 11:20 | |
| María Ruíz de Gopegi - BC3 <i>Assessing climate justice in public space adaptation: A case study in Hunters Point South Park, Queens, NYC</i> | 11:30 | |
| ----- 11:40 Coffe break ----- | | |
| Rafael Carlos Suárez Medina & Ángel Luis León - US <i>Optimización numérica de soluciones pasivas para la rehabilitación energética de la vivienda social vulnerable andaluza</i> | 12:00 | |
| Pablo Hernández-Cruz - UPV/EHU <i>The suitability of the TAIL Index in social housing of the Basque Country for the evaluation of the Indoor Environment Quality</i> | 12:30 | PRESENTATION |
